No

This order form is provided in a secure environment and to help protect against fraud your current IP address (102.33.61.228) is being logged.

Once your order has gone through, you will receive an email to confirm your account email address, and will also receive an email from Acronis to activate your account.

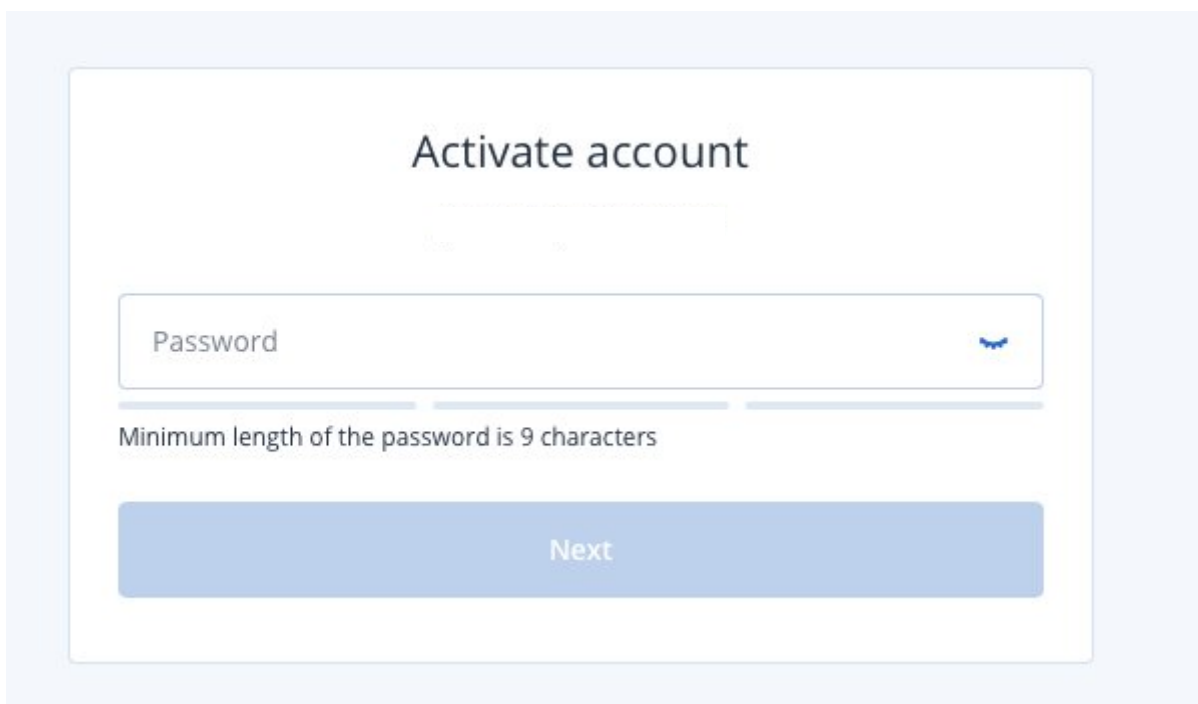

The acronis account activation will look like the below email.

Click on the blue Activate account button where you will be redirected to a website.

Enter a password of your choosing and click next.

Make sure that you know what you are typing as it only asks you once, you can click the eyelid on the right hand side of the text box to see what you are typing.

Once your password has been entered you will be asked to setup 2 factor authentication.

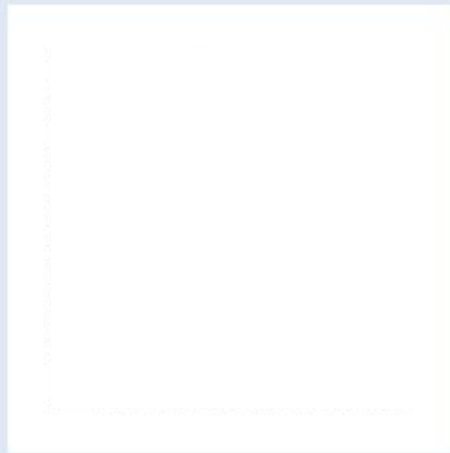

Set up 2-factor authentication

Install the authenticator app (Google or Microsoft Authenticator are recommended) on your mobile device or computer

[More info](#)

Open the authenticator app, and then scan the QR code. Please, ensure that you saved the QR code. You can print it out, save as PDF or just make a photo of it

[Proceed without QR code scanning](#)

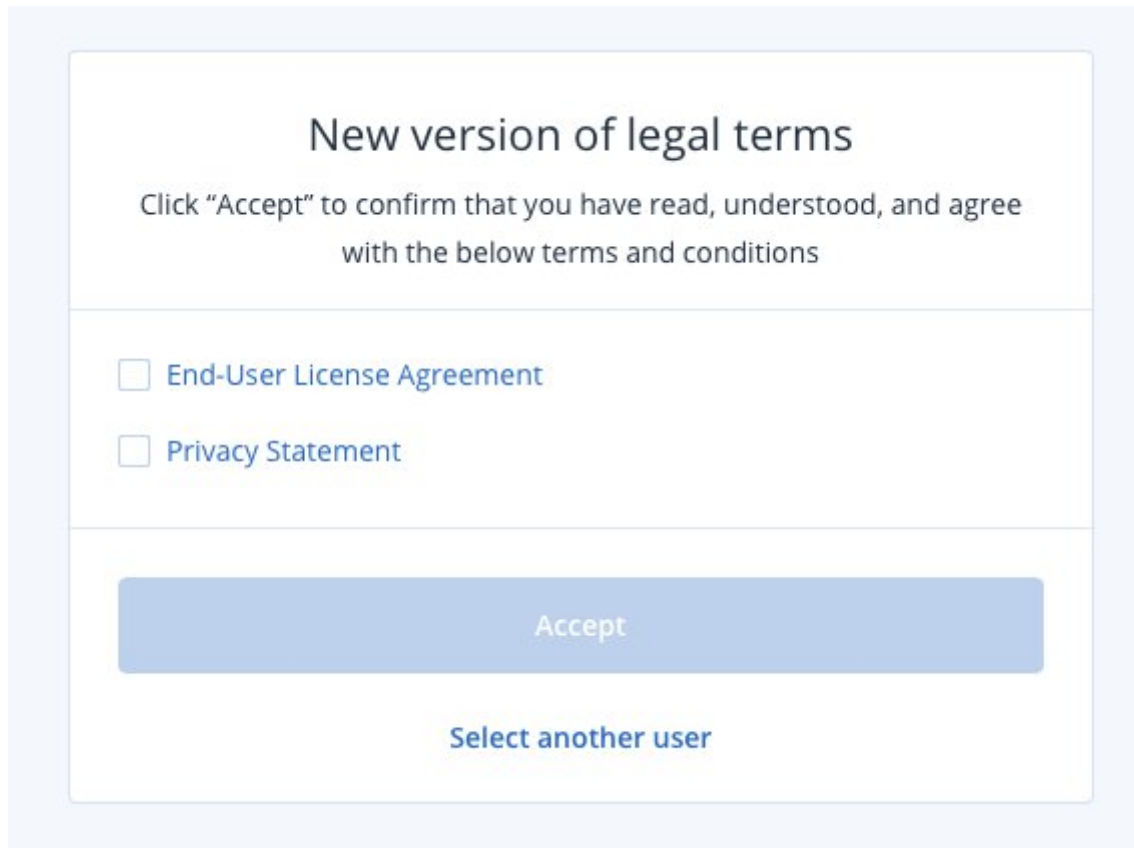

To complete the setup, enter the 6-digit code displayed on your authenticator app

Next

[Select another user](#)

Once you have setup your 2 factor authentication, you will need to accept 2 agreements.

Once accepted you will be logged into your account, where you can view and manage your device and backup.

To setup the backups please see our guide on how to setup your backup.

Back on the realcloudestate website, you can now login to the clientzone, where you can view, update, cancel or buy more services.
